Thank you for selecting the Nintendo Entertainment System Chubby Cherub Game Pak.

OBJECT OF THE GAME/GAME DESCRIPTION

Chubby Cherub, a sweet little angel, enjoys eating and loves to help people. But life is never so simple. There are many obstacles he has to overcome before being able to enjoy some delicious food or participate in exciting adventures. Dogs are always trying to bite him. Birds continually peck at him. And when flying, he often gets covered with puffs of smoke from the chimneys. Even attempts to rescue a friend held hostage are thwarted when a burglar throws firecrackers at Chubby Cherub.

And all of these keep happening all the time! It's enough to get Chubby Cherub down. But with you at the controls, Chubby Cherub can prevail over anything or anyone who hinders him when helping a pal or eating a succulent shish kabob.

Make Chubby Cherub's day a great one! He's depending on you!

Please read this Instruction Booklet carefully to ensure proper handling of your new game. Save the Booklet for future reference.

TECHNIQUES
JUMPING
The height of each jump is always the same. Chubby Cherub can jump on walls and roofs. While Chubby Cherub is jumping, if you press Right or Left on the Control Pad, he can jump to the Left or to the Right. While walking to the Left or to the Right, if you make Chubby Cherub jump, he'll go a further distance.

FLYING
While flying, Chubby Cherub moves at a faster speed than while walking. He also consumes more power when he flies. If he moves while eating food, he'll reduce his consumption of power. Chubby Cherub must keep on eating food while he's walking or flying.

SPECIAL CANDY
When Chubby Cherub eats a Special Candy, he can eject the 'GAU-GAU' cannon several times. This 'GAU-GAU' cannon makes Chubby Cherub's heart symbols. It makes the dogs scared and they run away.

*The dogs eject a "BOW-WOW" gun also.

INVISIBLE CHUBBY CHERUB
When Chubby Cherub eats the 'P' mark, he becomes invisible and invincible for a short while. But, if he is hit by a dog's "BOW-WOW" gun he becomes visible again.
