THE WORD FOR ADVENTURE

It's what we say when we're talking about a close call...
the definition of suspense... the word for adventure....

IT'S CLIFFHANGER!

Based on the bare-knuckle, big-action blockbuster adventure hit starring Sylvester Stallone, *CLIFFHANGER* brings to your NES the treacherous cliffs and icy rock faces... the dizzying heights and deadly avalanches... the crazed villains and non-stop combat action of the film. You are Gabe Walker, Rocky Mountain rescue ace, now facing the most grueling operation of your life—saving your friends and defeating the megalomaniac Qualen and his gang of high-altitude bad guys.

2. MONEY TOTAL

'ROUND THE OLD CAMPFIRE

LEVELS IN THE GAME

Here are the basics of what you'll find—and who or what you'll face in each level of *CLIFFHANGER*.

LEVEL 1

You and your buddy Hal go in search of a stranded party of hikers. You'll have to negotiate the dangerous mountain terrain while fighting off the elements. Watch out for rabid wolves!

Level 1 Boss:

A tall canyon that Gabe must climb while dodging falling boulders.

LEVEL 2

You and your friend Hal fall into the clutches of Qualen, the psycho leader of a band of crazed fugitives. They're looking for three metal cases that were lost in a plane wreck—together, the cases hold \$100 million in cold cash—and Qualen positively insists that you help in the search. Luckily, you manage to escape, and you set out in search of the money in an effort to ransom Hal and save his life.

You must cross a forbidding mountain landscape and fight off a variety of enemies.

Level 2 Boss:

Heldon. A big, tough guy, whom you must conquer in order to find shelter and valuable equipment in Douglas Cabin.

LEVEL 3

Pursued by Qualen's vicious henchmen, you must climb higher into the snowy forests and icy slopes of the Rockies. Almost freezing to death, you'll need to pull off some pretty tricky climbing maneuvers while fighting enemies all the way.

Level 3 Boss:

Ryan, a boulder-throwing thug.

LEVEL 4

You'll have to make your way through a hidden crevice to avoid Qualen's watchful eye. Once you make it into the cave you'll have to dodge falling icicles, avoid venomous bats and watch out for bottomless pits.

Level 4 Boss:

Kynette...and a bomb! If you don't defeat Kynette in a timely fashion...KABOOM!

LEVEL 5

After successfully defeating Kynette and avoiding the bomb, you must make your way along a treacherous river in search of Qualen. You'll have to negotiate the icy terrain while fighting off Qualen's evil henchmen. In order to complete the level, you must make your way up a frozen waterfall.

Level 5 Boss:

The icy waterfall.

LEVEL 6

You've found all the money now, but Qualen's helicopter has found you. Even if you manage to defeat the chopper, you still have to face Qualen on the Bitker ladder.

Level 6 Boss:

Qualen himself!
