

COMPLIANCE WITH FCC REGULATION

This equipment generates and uses radio frequency energy and if not installed and used properly, that is, in strict accordance with the manufacturers' instructions may cause interference to radio and television reception. It has been type tested and found to comply with the limits for a Class B computing device in accordance with the specifications in Subpart J of Part 15 of FCC Rules, which are designed to provide reasonable protection against such interference in a residential installation. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause interference to radio or television reception, (which can be determined by turning the equipment off and on) the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient the receiving antenna
- Relocate the computer with respect to the receiver
- Move the computer away from the receiver
- Plug the computer into a different outlet so the computer and receiver are on different circuits

If necessary, the user should consult the dealer or an experienced radio/television technician for additional suggestions. The user may find the following booklet prepared by the Federal Communications Commission helpful:

"How to Identify and Resolve Radio-TV Interference Problems"

Conquest OF THE CRYSTAL PALACE™

THE STORY Fifteen years ago The Crystal Palace was a thriving kingdom. The people of The Crystal Palace prospered and all things great and small were treated equal. During this time lived a kind and gentle ruler who encouraged the people to be honest and fair; his name was Bretor. Bretor was famous throughout the world for his achievements. The King's wife, Queen Zyla, gave birth to a son. His name was Prince Farron.

Tales of this kingdom spread far and near and people soon flocked to The Crystal Palace seeking citizenship. The Kingdom of The Crystal Palace became very populated with people of all races.

One day as a Dysonian man was telling a group of people about The Crystal Palace, Zaras, an evil warspirit of the East, became interested in the story.

Zaras was a terrible War Spirit of the 20th Century with great power. Zaras

was capable of taking any shape or form and was thought to be indestructible.

Zaras appeared one day and simulated an army of evil guardians who eventually took control of The Crystal Palace. King Bretor was eliminated in a flash and so was Queen Zyla. The people of The Crystal Palace were transported to the stars and areas of the sky not seen before. Eventually, there were only two people left for Zaras to deal with; Prince Farron and Zapolis, the palace guardian and keeper. Farron was transformed into a 6 month old baby and Zapolis was turned into a dog. Farron called him Zap.

The Crystal Palace became an evil lair of mazes and chambers filled with goons and henchmen of Zaras' imagination.

Zap watched over Farron and insured his safety.

When Farron turned 15 years old, he and Zap set out for The Crystal Palace. Their goal and your challenge is to restore the peace and unity once felt by the people before The Conquest of the Crystal Palace.

GETTING STARTED

1. Make sure the power switch on your Nintendo® Control Deck is off.
2. Insert *The Conquest of the Crystal Palace™ Game Pak* as described in your *NINTENDO ENTERTAINMENT SYSTEM®* manual.
3. Turn the power switch on.

THE CONQUEST BEGINS...

1. You'll first see *The Conquest of the Crystal Palace* title screen. When you press the start button the story of *The Crystal Palace* will be revealed to you. To bypass the story, simply press the start button again. Select the power crystal you desire with the A button. To view the different power crystals, move the right and left control pad arrows on your controller.

2. To direct Farron, move the right and left control pad arrows on your controller. To make Farron squat down press the down arrow on your controller.

3. To call your guardian dog Zap, press the down arrow on your control pad. While holding down, press the A button to move the white cursor underneath the dog and release the down arrow on your control pad.

4. To use other items in your inventory, follow the procedure outlined in instruction #3.

5. To use Farron's sword or special weapon, press the B button after you have made your selection using procedure #3. To make Farron jump, press the A button.

6. When you eliminate an enemy, collect the coin he leaves behind within 5 seconds to increase your account balance.
