"Big" George Foreman is back! After a ten-year absence from the ring, the former Heavyweight Champion is on the road to the Title again! The Goliath from Texas has won 26 out of 27 fights in the last four years, facing one young high-ranked contender after the next. The 43-year-old Foreman first took down Steve Zouski in a four-round knockout and followed with impressive knockouts over Gerry Cooney and Adilson Rodriguez, putting Foreman among the top competitors for the Championship. The 260 lb. giant George has an astounding lifetime record of 71 wins and 3 losses. Foreman began his career in 1969 after winning the gold medal in the 1968 Olympics. He quickly developed a reputation as a fighter with a devastating punch, winning 37 times without a loss, 34 by knockout, before his match with then-Heavyweight Champ Joe Frazier. In 1973, at the age of twenty-five, he took the Heavyweight Title by knockout from Frazier. He lost to Muhammad Ali in 1974. Now older and wiser, Foreman exhibits the concentration and fierce professionalism of a veteran. In his recent fight against Alex Stewart, both boxers took a severe beating but Foreman's incredible endurance kept him in the fight through all ten brutal rounds against the younger Stewart. Foreman was a man who came to fight and win. He did. Eighteen years after capturing the Heavyweight Belt, the gregarious boxer with an appetite for fame, glory, and food is once again in line for the Title. And it looks like nothing will stop George Foreman now!

THE FIGHTING SCREEN

STATUS AREA

The status area containing vital information for each bout is found in the lower part of the Fighting Screen.

DAMAGE METERS... Damage Meters are found in the top corners of the status area. The more damage each boxer sustains, the lower the energy in his meter gets. The meter on the left represents the amount of energy George Foreman has left. The meter on the right represents your opponent's energy. Once a fighter's Damage Meter runs out, the boxer will suffer a knockdown. Watch the meters to get an indication of how you're doing against your opponent.

TIME... Located in the top-center of the status area, you will find the official time clock. It shows the time remaining in the round. Each round is three minutes long.

ROUND... Displayed in the lower-left of the status area is the current Round number of the fight. There are only three rounds to each bout so get right to it! Don't save your best stuff for the later rounds.

SUPERPUNCHES... If you've trained properly you'll always know to find your Superpunches on the meter in the lower-center of the status area. When you obtain a Superpunch the meter will show

them accordingly. Superpunches are earned by one of several successful combinations of punches to your various opponents.

COUNT...The Count Meter is located in the lower-right corner of the status area. When a knockdown is scored the boxer will have until the count of 10 to get up and continue the fight.

Young unorthodox fighter from the Far East who had a brilliant international amateur career. He has good hand speed, but up to now, has lacked knockout power.

Sonny Joe Dukes

Turak used to be a professional wrestler but found it wasn't satisfying enough. He likes to knockout his opponents as his record shows, not just pin them.

Lance "The Sheik" Borque

"Crazy" Miguel Valdez

"Irish" Tommy Morton

A seasoned boxer who fought his way out of the pubs in Ireland, Tommy has learned not to give in to anyone. It's usually his opponents who end up face down.

Tyrone "Madman" Mosely

Larry "The Surgeon" Scott

WIN AGAINST ALL TOP-RANKED HEAVYWEIGHT CONTENDERS AND BE THE UNDISPUTED HEAVYWEIGHT CHAMPION OF THE WORLD!

FOREMAN IS THE FAVORITE!

At 43-years-old, George Foreman is the favorite of millions. He poses for the camera with his well-fed face and a hamburger. He signs an autograph for every fan who asks. He is the hero of the boxing ring, fair and even generous to the boxers that face him.

After his win over Alex Stewart, George admitted that he got hurt because he was too worried about hurting "the kid". His punch is legendary, his power undiminished as he seeks the Heavyweight Title once again. You are in the ring with Foreman, deciding the strategy, punching away at the opponent who stands between you and the Title. It will take fancy footwork and sharp moves to overcome these young determined men. But you and Foreman have the skill, experience, and raw talent that it takes to be the Champ. Go on! There's the bell. It's round 1!
