- MUSIC** - Toggles between On and Off

GAME CONTINUE MENU

When you lose all your health, this menu will appear. From here you may continue the game from the level you were on, restart the game from Level 1, or choose a different game. Move the angel to the desired option and press **A**, **B**, **SELECT**, or **START**.

IF YOUR GAME DOESN'T WORK

1. Please allow up to 45 seconds for your game to start. The TV may flash up to 9 times while the game is starting.
2. If the game doesn't start after 45 seconds, turn off the Nintendo[®] Remove and re-insert the cartridge several times. This procedure ensures the cartridge connections are clean. Turn your Nintendo[®] system back on. Make sure that you wait at least 7 seconds after turning off the power before you turn it on again.

3. **IMPORTANT!!!** You must allow at least 7 seconds between power OFF and ON. Failure to do so will result in a blank TV screen.
4. If game still doesn't work, please refer to the warranty section of this manual.

GENERAL GAME PLAY

SCROLL STATUS BAR

In each game you start out with three scrolls (indicated in the upper left corner of your screen). When you run into most creatures or obstacles, you lose 1/2 of a scroll. When all of your **SCROLLS** are gone, the game ends. Extra **SCROLLS** are obtained by finding **SCROLLS** during game play and correctly answering the question.

THE SCROLLS

The **SCROLLS** work the same in all three games. When you encounter a **SCROLL** on the screen simply touch the scroll with your player. The screen will fade and a randomly picked multiple choice question or a true/false question or statement will appear. To answer the question simply move the angel pointer to the desired answer and press **A**, **B**, **SELECT**, or **START**. If you answer correctly, your **SCROLL STATUS BAR** will increase by one **SCROLL** (The **SCROLL STATUS BAR** will show up to five scrolls. Extra **SCROLLS** are kept in memory even though you can't see them.) An incorrect answer will **not** increase your **SCROLL STATUS BAR**.

THE GAMES

The Wise Men

You control a camel carrying a wise man to Bethlehem. As you progress through the levels, you play different wise men and camels. The main goal is to reach Baby Jesus in Bethlehem. Along the way you can earn points by collecting FRANKINCENSE, MYRRH, and GOLD. You also earn points plus extra health by collecting scrolls and correctly answering the Bible questions. Your journey starts in the desert, but you will also travel through cities, caverns, and seas.

DIFFICULTY SELECTION

If you are playing in **NORMAL** difficulty mode, there are 16 LEVELS. If you are playing in **EASY** mode, there are 8 LEVELS. There are also fewer obstacles and slower creatures in **EASY** mode.

USING THE CONTROLLER

A BUTTON

Jump

The longer you press the A button, the higher the camel will jump.

B BUTTON

Shoot Water Balls

Some creatures and obstacles will leave the screen if hit by a water ball. Just pressing the B button will shoot the water ball straight. If you hold UP or DOWN while pressing the B button the water ball will shoot in the appropriate direction.

Accelerate

Holding the B button while moving or jumping will allow the camel to run faster and jump farther.

UP

Enter a Door

When the camel is directly in front of a doorway, push UP and the camel will enter the doorway and appear elsewhere in the level.

SELECT

Shoot Fruit

If the camel has picked up FRUIT, he can shoot it by pressing SELECT.

GIFTS

Each level contains gifts to collect for baby Jesus. Different levels have different gifts. To collect a gift, simply touch it with the camel. All the gifts are shiny and are represented in the following manner:

FRANKINCENSE: found in tall thin bottles

MYRRH: found in short fat bottles

GOLD: found in small pouches

Collect as much FRANKINCENSE, MYRRH, and GOLD as possible. You will be rewarded 50 points for each gift at the end of a level.

FRUITS

Some levels contain FRUIT the camel can grab. FRUIT is more powerful than water balls. Many creatures and obstacles that don't seem to be affected by a water ball will respond to FRUIT. On level 2, by shooting a water ball at a cactus, nothing happens. However, if you shoot grapes, the cactus breaks away. To get FRUIT, simply touch it with the camel. Once you grab the FRUIT, it will appear next to the SCROLL STATUS BAR. You may only carry one FRUIT at a time. If you try to grab another FRUIT while you already have one, nothing happens. To shoot the FRUIT, press the SELECT button. There are four kinds of FRUIT. Each one has different characteristics.

PEAR: shoots straight horizontally

GRAPES: splits into two directions

APPLE: shoots in a small arc and pops

BANANA: shoots horizontally and returns to the camel

The Banana is the most powerful FRUIT. After shooting the Banana, simply touch it when it returns and it is yours again.

As you travel to Bethlehem, your camel and wise man will encounter a number of creatures and obstacles. Some are quite harmless while others can become quite a nuisance. Do you know the King of Kings?

Have you entered into a relationship with the living Savior?

Jesus said: 'Behold, I stand at the door and knock; if any man hear My voice, and open the door, I will come into him, and sup with him, and he with Me.' Rev 3:20

To know Him, you must confess with your mouth, and believe with your heart that He is Lord.

That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised Him from the dead, thou shalt be saved.

For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation." Romans 10:9,10

He loves you and wants to enter into a covenant with you. Won't you receive Him into your heart today? Simply pray out loud:

Lord, I believe that You died for my sins and rose again from the dead. Forgive me for my sins. Come into my life and be Lord over me. From this day forward I give my life to You. Thank You for my salvation, in Jesus name! Amen.
