## STORY

Cubix is a large and powerful Robot created by Professor Nemo. Like all of his Robots, Cubix is equipped with an EPU that allows him to experience human-like emotions. One day, the evil scientist, Dr. K, created an explosion that resulted in the disappearance of Professor Nemo and caused major damage to Cubix. Professor Nemo's daughter, Hela, and her group at Bubble Town's Botties Pit attempted to fix Cubix but were unsuccessful.

Four years later, a young boy named Connor moved to Bubble Town with his father. Being a true Robot enthusiast, Connor succeeded in bringing Cubix back to life. Immediately, Connor and Cubix became friends. Now Connor and his Botties Pit friends have set out to protect the town from Dr. K and his team of Robots!

## ROBOTS

### CHARACTERISTICS

Each Robot starts the game with three basic skills: Speed, Handling and Solex. Upgrade your Robot to increase each of these skills.

- **Speed** - This is how fast your racer drives and accelerates.
- **Handling** - Handling defines how tightly the Robot turns corners and recovers from slides.
- **Solex** - This is a power source that can determine the energy level of your Robot.

### SOLEX

Solex provides a turbo or high burst of speed, depending on how long you hold down the B Button. Use it to get a quick boost off the starting line or to zip past other racers. Be careful, your Robot becomes harder to control when racing this fast. Try to use Solex speed boosts when you are on a straight section of the racetrack instead of while turning a corner or weaving.

### COLLECTING SOLEX

Find the flashing light-blue Solex power-ups on the racetrack and drive over them to collect them. Once your Robot's tanks are full of Solex, you cannot collect any more until you use some. Also, if you see Solex on the track, be sure to collect it before any of your racing opponents do!

11

## POWER-UPS

### SOLEX

Collect as much Solex as you can find and make your Robot race faster. This power-up cannot be picked up once your tanks are full.

### SECRET KEYS

Collect Secret Keys to gain access to secret new racing tracks!

### GHOST

Collect the Ghost power-up and you'll pass through opponents and anything that comes your way.
