Storms lashed the rugged terrain of Kong Island, and outside Donkey Kong's treehouse, Diddy shivered. DK had assigned him to guard duty on this awful night as part of his "hero training," and he was not happy about it... But a rustling in the undergrowth soon brought him out of his reverie.

"W-w-who goes there?!?" Diddy called. There was no answer but the flashing of claws and teeth. Diddy somersaulted into the fray but was quickly overcome by the weight of many scaly assailants.

"It'sss the sssmall one... Ssseal him inssside thiss barrel and tosss it into the bussshess... Donkey Kong'sss bananasss are oursss!" came a sinister voice.

The next morning, Donkey Kong awoke to the familiar rasping voice of Cranky Kong. "Take a look inside your banana cave," Cranky cackled from outside his treehouse. "You're in for a big surprise!"

Donkey's mind raced as he vaulted to the cave and peered inside. Instead of the dull golden glow of thousands of bananas, there were only a few discarded peels. These had been trampled into the dirt by hundreds of reptilian feet, judging from the many three-toed footprints that covered the damp cavern floor. But what about...

"Diddy... gone... my little buddy..." DK murmured to himself. He was suddenly filled with conviction. "The Kremlings will pay!" he raged. "I'll hunt them down through every corner of my island, until I have every last banana from my hoard back!"

Insert your Donkey Kong Country Game Pak into your Game Boy® Color system, then turn the power ON. When you come to the Title Screen, press START.

On the Main Menu, press ← and → on the + Control Pad to rotate the available options. Then press the A Button to select one.

If you press the A Button, Winky can out-jump any other animal friend. Plus, his powerful legs can take out some of the toughest enemies.

Squawks the Parrot

You'll find this helpful bird in only one place—the deepest, darkest cave level. He'll help guide you through the level with his flashlight.

King K. Rool™

This Kremling Kommander was the mastermind behind the great banana heist.

Kritter

You'll encounter this commonplace Kremling quite frequently.
